TIVELY A NEVER-PARLING CURE FOR

Memphis Tonn.

MEMPHIS, TENNESSES.

MEMPHIS, THURSDAY, AUGUST 29, 1861.

Washington, July 24, 1851.

to one can say what a law or a night ring forth, particularly in time of war, I myself of a chance of probable quiet,

Washington, July 24, 1851.

the proper of one strong testimony to service was up; and the Pennsy'vania register of services and general steadiness of the regular engaged in the action.

When the statementa in the American parequired, and so did some other corps, I be-

de abroad by the battle; for notwithing the vulgar and involvent arrogance of mer. There was no annihilation of robel horse were badly provided with food and with water mer.

army was more frightened than hort, and the Confederates did not advance on the al immediately after their success. It is said, rude sweep of the broom to the said, rude sweep of the broom to the said, rude sweep of the broom to the said.

their prophecies. The sword they have swn is held over their heads by the hands some coming man whose face no one can yet, but his footsteps are audible, and the number of lates of their cases all the serious to lead or direct an army, now onld be his time. All the edium which could head a despot, with head appeal upon him by his enemies, all the cusation that could have been preferred or hand South, have been fully urged, and victory, white with victory would establish average and not add to them by leading his army victory, white with victory would establish average face no one can with the intention of returning early that night. I found (ugitives had preceded me in night, I found to have up and subscribe liberally. Mark you, I do not say that this kebout it," while their neighbors, convenue up and subscribe liberally. Mark you, I do not say that this kebout it," while their neighbors, outed from the cotton, case with a majority of the large plant-turned from the follows, I in ust think ebout it," while their neighb comminded. If popular passion be excited by with all they possessed. If the statement of the federal papers as to their strength be comminded to end the federal papers as to their strength be controlled to the federal papers as to their strength be controlled to the federal pa

saion or recuperation against the second os and pennities, confiscating rebel property s well as filling up rat-holes, through which guered and runaway Secessionists might

perhaps some other corps, may have retired in the is, when we shall have succeeded in maintaining our independence,) when the disapproved, as it is said, the movement produced or not, was certain that the Confederates would be defeated. Every hour messentates and the commenced on Monday for it is cor ainly true "that he who is not for its now is against us."

The rain, which commenced on Monday is now is against us."

The rain of the field to the end in much to do with the product of the field to the end in the work of these facts, we say, why by driving the enemy before them. Then came the news of the necessary retirement of the troops; nevertheless it is affirmed that up to eight o'clock in the evening Gen. Scoti believed in the unitimate success of the United States troops, who under his own immediate were ad never met with a reverse.

But with all allowance and excuses, it is athis mysterious inactivity. Johnston, whose junction with forty thousand men is said to have in which all allowance and excuses, it is athis mysterious inactivity. Johnston, whose junction with forty thousand men is said to have taken place (if he had balf the number it is more than I give him credit for) on the morning of the battle, must have swelled the force under Lee and Beauregard to seventy thousand men at the least. He is the best officer in the
